SIR GEORGE - WATERLOO OPPOSE LOYOLA

Loyola College Varsity Basketball and Hockey teams move in the second last weekend of the regular season highlighted by two home contests.

In Basketball Loyola opposes Sir George. The game has additional meaning for the Warriors as they have the opportunity to conclude their OSL regular season schedule for the second straight year undefeated. The Warriors are now 14-0 and compiled a similar record last year.

Daigneault's crew appeared to be in top form and are favored to win their 29th straight but when Loyola meets arch rival Sir George all past performances must be put aside. Loyola will go with the same starting five they have used over the last month with the unsung hero and top playmaker of the Warriors Tom Profenno, quick Peter Phipps as the guards, muscleman Jack Contes and jumping sensation Earl Lewis at forward and big John McAuliffe at center.

Concurrently in Hockey Loyola plays a vastly improved College Militaire Royal in St. Jean on Friday night and then comes home for a return grudge-match Saturday night at 8:00 p.m. On Grey Cup evening the University of Waterloo defeated Draper's Warriors 4-1.

"CMR at home could be tough; they are certainly to be congratulated on their comeback since the Christmas break" stated Draper.

Loyola's impressive 13-1-1 OSL record includes two previous victories over the cadets.

On Saturday night seven seniors will be making their last home appearance in the maroon and white colours of the Warriors. Both of Loyola's outstanding goalers who have been League All-Stars Brian Hughes and Andy Molino, four forwards including invaluable Art Thomas, crafty Pete Morin Jr., Bernie Austin, Bob Jastremski and ace defensive man John Donnelly.
